International Multidisciplinary
Scientific Conference –
II. Innovations in sustainability
28-29. May 2026**

ANNOUNCEMENT

MultiScience - XXXIX. microCAD

International Multidisciplinary Scientific Conference

II. Innovations in sustainability

Date of the conference: 28-29. May 2026.

Venue: University of Miskolc

The aim of the conference is to provide an opportunity to Hungarian and foreign researcher, specialist, and PhD students to present and discuss their research results in the accredited scientific fields of the University of Miskolc, as well as to build new professional relationships. The special aim of the conference is to present and disseminate the research results achieved in the scientific workshops of the ongoing projects of the University of Miskolc especially in the area of sustainability.

The conference will start with a Plenary Session at 10 a.m. on 28th May. The conference will continue its work in two focus areas and their respective professional areas:

Innovative solutions with special emphasis on AI applications

Professional fields:

Novel and sustainable primary and secondary raw materials; Innovative methods, AI and geoinformatics solutions for raw materials exploration, mining and management Environmental conscious processing of raw materials, energy management and sustainable technologies; Developing and examining modern metallic and non-metallic materials; Modelling the microstructure and the properties of technical and chemical materials; Developing novel procedures of materials transformation and examination methods; Modern methods in product design and manufacturing technologies; Management of sustainable production; Innovative design and optimisation solutions in production logistics; Digitalisation and simulation in modern production technologies; Properties and testing of modern materials; Modern design and manufacturing in chemical engineering; New achievements in Information Technology

Social and Health Innovations

Professional fields:

Creative Region; Digitisation, Digital and Technological Innovation; Emerging Technologies and Law; Inclusivity / Inclusive Society, Age-friendly University, Cultural values and resources; Social innovation, Social Innovation for health and well-being; Social enterprises; The impact of MI on organisations, Data-driven enterprises; Smart city, Novelties in Health Innovation, Society 5.0, Sustainability, Circular Economy, Social Impact Analysis, Education, Social Change, Language and Society, Artificial intelligence and language teaching/learning

The conference program includes oral presentations (physical presence).

Duration of presentations: 20 minutes

Official language of the conference: English

Registration: online

<https://multiscience.uni-miskolc.hu/registration>

Deadline for registration: 24. April 2026.

Deadline for uploading the papers: 30 June 2026.

Participation fee of the conference:

120 EUR, which includes the registration, the costs of publication and the costs of the professional meeting after the plenary session.

Speakers can also apply for additional presentations, which will be charged a registration fee of 50 EUR.

It is possible to apply as an audience only. The fee is 100 EUR.

On day 0 of the microCAD conference (27 May 2026.): lectures on the topic of AI.
(Detailed program coming soon.)

The conference papers from the fields of engineering sciences, natural sciences and economics will be published in the Journal of University of Miskolc (Multidisciplinary Sciences), which has ISSN number and DOI ID.

The papers from the fields of humanities, social sciences in the Publicationes Universitatis Miskolcensis Sectio Philosophica, Alkalmazott Nyelvészeti Közlemények, Szellem és Tudomány in journals, depending on the subject, health sciences in the Journal for Health Sciences and law sciences in the Publicationes Universitatis Miskolcensis Sectio Iuridica et Politica will be published in faculty-specific publications.

Please upload the ready-for-print paper in an editable Word file on the website of the Journals:

<https://ojs.uni-miskolc.hu/index.php/multi/szerzo> and

<https://journals.uni-miskolc.hu/> collection page.

During uploading, please mark as a comment: microCAD conference, and which journal the manuscript is intended for. The actual formal requirements of the paper can be found on the website of the journals.

Papers will be considered/accepted as a result of professional proofreading based on the electronically uploaded manuscript.

Requirements for Conference Participation:

Online registration on the conference homepage: <https://multiscience.uni-miskolc.hu/>

Uploading paper in the appropriate format on the homepage of the Journal:

<https://ojs.uni-miskolc.hu/index.php/multi/szerzo>

<https://journals.uni-miskolc.hu/>

Transfer of the participation fee by 11 May 2026.

Please transfer the participation fee to the following account number after receiving our confirmation of acceptance:

Bank account holder: Miskolci Egyetem
Name of the bank: OTP Bank Nyrt.
IBAN: HU23 11763347 85359888 00000000
SWIFT Code: OTPVHUBH

(Remark: microcad + the name of the participant to register)

Organising Committee Address:

University of Miskolc - Center for academic management
Address: H-3515 Miskolc-Egyetemváros
E-mail: microcad@uni-miskolc.hu

Miskolc, 27 February 2026

Prof. Dr. Péter Szűcs
Vice rector for innovation and science
Chairman of the Organising Committee
